### Limited Life Time Warranty

High Street Collision Center hereby warrants the workmanship performed by this facility on the vehicle listed below. This warranty is for the specific work as documented in the repair estimate and covers labor and material only. Any related parts may be covered by the original manufacturers own warranties.

This warranty is valid only if the vehicle has defects caused by normal use. In this case, High Street Collision Center will repair any work which proves to be defective. In the event a repair is warranted, High Street Collision Center is not responsible for any loss of time, wages, or any other consequential damages.
